COMMUNITY
New clothes for Christmas

The Boca West Children's Foundation took more than 170 children from the Boys & Girls Club of Boca Raton and Delray Beach on a holiday shopping trip to Old Navy. Each child used a gift card and was paired with a volunteer from Boca West Country Club to shop for clothing. After shopping, they were taken to Boca West Country Club for a Disney-themed breakfast and activities. In addition to new clothes, they also received a toy from Santa Claus and a food basket filled with a ham, fresh vegetables and all the fixings for a holiday meal provided by PurePoint Financial.
