

BOCA WEST CHILDREN'S FOUNDATION GALA

WHERE: Boca West Country Club

WHAT: Boca West Children's Foundation presented an evening with stand-up comedy icon Jay Leno for its 13th anniversary bash at Boca West Country Club. Michelle and Gary Gluckow served as chairs alongside honorary chairs Yvonne and Don Ackerman for a memorable evening of live entertainment provided by the former late-night host and students from Dreyfoos School of the Arts High School's jazz and dance programs. Former Florida Atlantic University President Dr. John Kelly was honored during the night's festivities for the scholarship support given to first-generation college students through the Kelly/Strul Emerging Scholars program. The event raised more than \$1.1 million in ticket and live auction sales, all of which went to local programs that serve at-risk youth. To date, Boca West Children's Foundation has donated more than \$18 million to benefit struggling families throughout Palm Beach. Sponsors for the evening included Sally and Aubrey Strul, Mithun Family Foundation, Batmasian Family Foundation and more.
