A total of 150 kids ages 6 to 13 from Boys & Girls Clubs of Palm Beach County participated in the 14th annual holiday shopping trip. The event is put on by the Boys & Girls Clubs of Palm Beach County, Boca West Children's Foundation and Boca West Country Club. Each child received a \$50 gift card to purchase clothing for themselves in the store. Younger siblings and teens who were not able to attend the event received \$25 and \$50 Old Navy gift cards. Volunteers from Boca West Country Club accompanied the kids as they shopped. After brunch at West Boca Country Club, the kids left with a toy from Santa, socks from Jacob's Shoes and a food basket filled with a turkey, a ham, fresh vegetables and all the fixings for a holiday meal. **BOCA WEST CHILDREN'S FOUNDATION**
