

Boca West Children's Foundation Held Camp For Propel Kids

Boca West Children's Foundation hosted 17 children from Propel the week of July 15 at Boca West Country Club for a week-long pickleball camp. The kids received camp shirts, sneakers, socks, a drawstring bag and a water bottle and enjoyed lunch each day. On the last day of the camp, the children participated in a talent show and competitions. Prior to that, Fuller Center kids enjoyed pickleball camp.

The Boca West Children's Foundation launched in 2010 and came about as a desire by the thousands of volunteers from the Boca West Country Club to give back to children in Palm Beach County. The foundation's mission is to identify and fund projects to assist children and their families in need in the area. Since its inception, the foundation has granted more than \$19 million for specific programs for more than 30 charities. Visit Bocawestfoundation.org for more information.

Propel offers many educational opportunities to prepare its students to be industrious, creative, caring and productive citizens as well as lifelong learners. The academic, career, social and emotional needs of all students are best met when there is a cooperative approach among the program staff, students and parents. Visit propelyourfuture.org for more information.

DID YOU KNOW?

Not many people know this but your car has a secret device on it called an 'indicator'. If you look at your steering column, you'll find a secret stick, which will activate a flashing orange light on the outside of your car. It flashes to let other drivers know which direction you're thinking of going.
