

Boca West Children's Foundation Held Camp For Propel Kids

Boca West Children's Foundation hosted 17 children from Propel the week of July 15 at Boca West Country Club for a week-long pickleball camp. The kids received camp

shirts, sneakers, socks, a drawstring bag and a water bottle and enjoyed lunch each day. On the last day of the camp, the children participated in a talent show and competitions. Prior to that, Fuller Center kids enjoyed pickleball camp.

The Boca West Children's Foundation launched in 2010 and came about as a desire by the thousands of volunteers from the Boca West Country Club to give back to children in Palm Beach County. The

How Does Matchmaking Work?

By Kelly Leary, M.S. & Miranda Capparelli

"When I met you in the summer / To my heartbeat's sound / We fell in love as the leaves turned brown." -- Calvin Harris

Happy August to all our incredible couples, clients, and friends. As summer winds down and we enter the reality of an imminent Fall Season 2024, it's time to reflect on what we hoped to accomplish over the summer. Did you find summer love? With Halloween, Thanksgiving, and the big holidays on the horizon, filled with dinner parties, events, and plus ones, now is the perfect time to get extra inspired. **Research shows: people who join in the summer are twice as likely to find their match by the holidays.** Let us help you simplify your romantic goals. As always, if you are TAKEN--pass this positive news on to your SINGLE friends and family. The love in us honors and appreciates the love in all of you.

As you know, we have received the gold medal in our industry for creating success in the club over and over again. Are you finally ready for the podium win in your love life? There is no time like the present, and we invite you to be true to yourself and ditch the dating apps this month. Luckily, we have no off-season, and this summer did not slow down for a moment. If you are single, divorced, or widowed and ready to mingle again, this is a great month to start. Welcome to "Cuffing Season" where men and women pair off quickly.

Step 1: Admit you are READY.

Love is ageless. Our club helps men and women from their twenties well into their happy eighties. Feeling the urge to connect? You are ready. You have arrived.

Step 2: Identify WHY.

Some people just want someone to go out to dinner with someone nice, while others want to get married and have children. Others realize life is passing them by and know they must do something before it's too late. Whatever your "why" is, act on it. He who hesitates is lost.

Step 3: Make the Call!

What's holding you back? Nerves? Fear? Are you a skeptic? Whatever your issue is, let it go. We've got you covered. No one ever progressed in life being fearful. Stick to the plan. Don't deviate from these steps. **All inquiries are confidential.** Your photos don't have to be plastered all over the internet! This is a private one-on-one introductions club. Many people don't want to be dating digitally for reasons of privacy and/or their occupation will not allow it. You are one 15 minute phone call away from a life change.

Step 4: Meet THE Matchmakers--Secure Your Appointment Today.

Proceed by going through the screening process developed over 33 years in the business. If we like you and you like us, simply join the club! We call this "The Enrollment Phase," which occurs in person face-to-face in our gorgeous headquarters in the PGA Commons Art, Dating, and Dining District, where we have thrived since 2014 and counting.

Step 5: Lights, Camera, Action.

"The Biography Phase" comes next. This is your second time in the office. This is typically an onsite photoshoot taken by a professional photographer. For VIPs, we may do this shoot on location at your home by request. Our waterfront coastal clients love this feature. You will not be dealing with the common catfish that swim around the silly dating apps using fake photos and fake personas. We create your beautiful Revolution Dating Bio so you can officially be matched with intention, much like meeting through a friend. No impersonal algorithms here!

Step 6: Spread Your Wings.

Let the fun and matchmaking begin. Step out with confidence as you date quality singles one at a time. Report back to us when you have a question about your date or want to move to the next introduction. Date feedback is important, too, and so helpful. We play "wing girl" for you, in essence. Everything can be done over the phone, in person, or through email/mail after your Revolution Dating Bio is complete--meaning you only have to come to the office twice in person, ideally. It's your preference. This makes it effortless for the busy professional or retiree. We meet everyone at least twice in a loving positive environment--not in a public place. Real matchmakers have a well-established brick and mortar location which is long standing--like us!

If you needed a sign this month--this is it! We can't wait to meet you too. Get ready for a revolution of love, friends! Summer love is happily trending and flowing in our office. Also, look for us in this month's issue of *Modern Luxury Magazine* where we are featured as *Dynamic Women of Palm Beach*. We are so honored and we thank all of you for your support. We aim (our cupid arrows) to please...one date at a time! Pass on this good news. The world needs it, right? There is so much more fun to come this Fall for you and for us. We can't wait to meet you!

XOXO,
Kelly & Miranda

foundation's mission is to identify and fund projects to assist children and their families in need in the area. Since its inception, the foundation has granted more than \$19 million for specific programs for more than 30 charities. Visit Bocawestfoundation.org for more information.

Propel offers many educational opportunities to prepare its students to be industrious, creative, caring and productive citizens as well as lifelong learners. The academic, career, social and emotional needs of all students are best met when there is a cooperative approach among the program staff, students and parents. Visit propelyourfuture.org for more information.

CLIMATE CHANGE & EXTREME HEAT
 CAUSES MORE DEATHS each year than hurricanes, lightning, tornadoes, earthquakes, and floods
COMBINED!

WHO'S AT RISK?
 Adults over 65, children under 4, people with existing medical problems such as heart disease, and people without access to air conditioning

WHAT CAN YOU DO?

- STAY COOL**
 - Find an air-conditioned shelter
 - Avoid direct sunlight
 - Wear lightweight, light-colored clothing
 - Take cool showers or baths
 - Do not rely on a fan as your primary cooling device
- STAY HYDRATED**
 - Drink more water than usual
 - Don't wait until you're thirsty to drink more fluids
 - Avoid alcohol or liquids containing high amounts of sugar
 - Remind others to drink enough water
- STAY INFORMED**
 - Check local news for extreme heat alerts and safety tips
 - Learn the symptoms of heat illness
